Foreword

This 1963 CAVALCADE is but another chapter of the development of Drexel High School. As the history of the ages records the developing of civilization, this annual records yet another phase in the growth of Drexel High School, 1963.

It has been a great pleasure for those of us who have helped assemble this edition of the CAVALCADE. Through it we hope to be leaving a part of us which we hope will become a treasured part of the history of DREXEL HIGH SCHOOL.
